

# COMING TO PENNSBURY VILLAGE **FOOD TRUCK TUESDAYS**

Because the first food truck was such a big success and given the many requests we have received from our residents, Pennsbury Village Borough is happy to continue “Food Truck Tuesdays” for the months of September and October. A big thank you goes out to all those residents who have made this program a success! Please mark your calendars and plan to dine on some really great food! On October 13th be sure to check out “**Railyard Mobile**”. This food truck is associated with the new restaurant that will soon be opening in our commercial area; “**Pennsbury Station**”.

The food trucks will be located on Pennsbury Blvd. South near the intersection with Carriage Circle. Make the first left coming up the entrance way onto Pennsbury Blvd. South. The food truck will be in the parking area on the right side of the road. For safety, we ask that you stay behind the traffic cones in the queue line. Do not stand out in the street. Wearing a mask in line is suggested. Parking will be available if you wish to drive up.
