

Fall Cleanup!

Roll Off Dumpsters

Friday, October 2 until Monday, October 5, 2026

Mark your calendar to get rid of that extra clutter.

Two dumpsters will be placed in the Borough in the usual locations – one on Pennsbury Boulevard at the intersection of Carriage Circle closest to the entryway, and another on Carriage Circle, in the 500 block.

Place items as far back in the dumpsters as possible so that all residents can benefit from this service. **Program ends when the dumpsters are full and dumpster doors have been closed.** *No items are to be left outside the dumpsters.*

DUMPSTERS ARE FOR PENNSBURY RESIDENTS ONLY.

Construction materials, appliances and items containing freon, electronic devices, propane tanks and paint cans, are PROHIBITED.

Construction materials are **never** permitted to be disposed of within the Borough.

As a reminder, removal of hazardous and e-waste is offered to residents free of charge by County Hauling. Scheduling an appointment is easy. Consult the Borough website for details.

Thank you in advance for your cooperation.
